- Age:** A text input field containing the value "18".
- Gender:** Radio buttons for "Male" and "Female", with "Female" selected.

The Windows taskbar at the bottom shows the search bar, several application icons, and system information including "28°C Mostly cloudy", "9:39 PM", and "4/14/2024".

This screenshot shows the same "Conference Registration Form" as the previous one, but with the "Email Address" field selected. Below the form, two buttons are visible: "Register" and "Reset". The "Comments or Questions" section now contains the placeholder text "Any comments or questions?". The rest of the form fields and the Windows taskbar remain the same as in the previous screenshot.
